PETITION FOR COMPLETE OFFICE ACTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

March 17, 2005

Sir:

Receipt is acknowledged of the Office Action mailed February 24, 2005.

Upon review of the Office Action, it has been determined that the Office Action cannot be understood for the reason that the references to Mukawa et al and Gale et al, used in the rejection of the claims, are missing and any citation information (e.g., patent number) regarding such references is also missing. Hence, there is uncertainty as to which exact references are meant. Applicants request such references be supplied and that such references be listed on the Notice of References Cited Form PTO-892.

Applicants also request that the period for response be reset in accordance with the mail date of the complete Office Action.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Paul J. Skwierawski", written over a horizontal line.
